United Way of Southern Chautauqua County continues to have an incredible impact in our community. This organization’s ability to mobilize and convene the community—donors, employers, leaders, agencies, volunteers, partner organizations—we have seen the results not only in raising more than $1.3 million in our annual campaign, but in larger projects like the Empire State Poverty Reduction Initiative. Our 2018 campaign video summarized it better than we could: United We Fight. United We WIN. We truly believe that this community is better off because of the work of United Way, as “fundraisers, hand-raisers and game-changers.”

And it’s our supporters that we have to thank. Thank you to Kurt Eimiller for chairing such a successful campaign of $1,378,505. Thank you to the donors that made our office relocation and renovation at 208 Pine Street successful. —Hope’s Windows, D&S Glass, Ahlstrom Schaeffer, Allied Alarm, EE Austin, the Lenna Foundation, the Ralph C. Sheldon Foundation and Lewis & Lewis. A special thanks to our staff, who worked tirelessly this past year in the midst of transition! We’re looking forward to the future, as we approach the 100th anniversary of United Way of Southern Chautauqua County in 2020! We’ll be acknowledging this milestone in many special ways and hope you can participate. Our board is also in the midst of a strategic planning process and will be unveiling a visionary plan for the next 3-5 years in the future for continued and increased impact. We’re proud to lead this organization and grateful for this community’s support.

2018 - 2019 FUNDED PROGRAMMING

BECAUSE OF YOUR INVESTMENT

The Allocations process is the cornerstone of our United Way. It ensures fiscal and program accountability for all agencies receiving United Way funds while meeting the social services needs of our community. In the process, 45 local community volunteers challenge each agency’s effectiveness at providing services, review the need for those services in the region, and analyze the impact of United Way funding in meeting those needs.

EMPIRE STATE POVERTY REDUCTION INITIATIVE

In September 2016, United Way of Southern Chautauqua County (UWSCC) was selected as the lead agency for the City of Jamestown's Empire State Poverty Reduction Initiative (ESPRI) grant of $1,000,000. With the Mayor’s office, UWSCC convened a Taskforce of key stakeholders in the community, including those with lived experience in poverty. During a year-long planning phase, the Taskforce examined demographics, labor statistics, held community conversations and listening sessions, and hosted a series of community-improvement and capacity-building workshops. In December 2018, the Taskforce selected seven catalytic and innovative projects, all with a focus on workforce development — providing the support and services to get individuals employed or enrolled in education/certification programs. In May 2018, these programs began offering services.

Every year, United Way partners with organized labor to recognize the community service of one of its members. This year’s honoree was Steven C. Nowell, a member of the International Brotherhood of Electrical Workers #106. Steven C. Nowell is a lifelong resident of Jamestown, NY. Steven currently works as a local IBEW 106 Inside Journeyman Wireman for Ahlstrom & Schaeffer Electric. He is a 26 year member of the IBEW.

The Coalition of Chautauqua County Women & Girls seeks to provide opportunities for women and girls of all ages and backgrounds to thrive. Now in its fifth year, the coalitions focus is women & finance, women in leadership, and women 2 women mentoring program.

Follow on Facebook: facebook.com/CoalitionOfChautauqua-CountyWomenAndGirls/

April is National Volunteer Month and we at United Way help our partner agencies celebrate their volunteers by hosting a recognition event. This year’s event was ‘You Are A Shining Star’. Volunteers play a vital role in delivering services across the community, from mentoring & advocating for children at CASA & Chautauqua Striders to being a Troop Leader at Girl Scouts of WNY. These individuals give thousands of hours in service to others.

Last year Chautauqua County received $60,357 to supplement emergency food and shelter programs throughout the county through FEMA. The United Way of Southern Chautauqua County administers and coordinates this grant each year, chairs the Local Board and made awards last year to Meals on Wheels, UCAN City Mission, the Food Bank of WNY, Pathstone, YWCA and Salvation Army to help bringing funding to these local programs and services.
