What is the census? As mandated by the U.S. Constitution, the census is a once-every-decade count for everyone living in the country. This count impacts how resources for our families and communities are allocated over the next 10-years. Starting March 12, the U.S. Census Bureau will send every household an invitation to complete a simple questionnaire about who lives at your address on April 1. You will have the opportunity to respond online, by phone, or by mail. Federal law keeps those responses safe and secure. Shape your future, make sure EVERYONE Counts in Chautauqua County!
